

UNITED IS THE WAY

From Poverty to Prosperity

Across Los Angeles County, many individuals and families face daily challenges—struggling to afford housing, access education, and meet basic needs. But together, we can change that.

Your support makes a difference.

Through your paycheck contribution, you help United Way of Greater Los Angeles create pathways from poverty to prosperity.

Somewhere in our community:

- A working mother is looking for a way to stretch this week's paycheck to cover the growing costs of groceries, prescriptions, and housing
- A college student is supporting his family while struggling to complete a degree and turn it into a better-paying job and a promising career
- An entire community is trying to find their pathway forward from wildfire devastation toward healing, recovery and rebuilding

BUT THEY ARE NOT ALONE. TOGETHER, WE CAN PROVIDE HELP, HOPE AND HEALING.

Through your paycheck contribution, you help United Way of Greater Los Angeles create pathways from poverty to prosperity.

- \$10** Help low-income families access basic needs
- \$25** Help ensure seniors remain housed
- \$50** Help community college students access emergency funds and stay enrolled
- \$75** Help support small businesses and microentrepreneurs to keep local spending in our neighborhoods
- \$84** Join our Leadership level to advance our mission of supporting neighbors from poverty to prosperity
